## NO VEHICLE CAN REACH YOU FROM MILE 59 TO 64, OR FROM MILE 67 TO 84

That is most of the distance between Three Rivers RV and Rohwer. Leave Aid 2 at 53.8 carrying everything you need for thirty miles, and if something is wrong with you or the bike, deal with it there rather than after.

## THE TIMES ARE THERE SO THE EVENING WORKS

Through Rohwer by 4:30 leaves fifteen miles and two hours of daylight. The party on Main Street has been going since 2:00.

Dinner is served, the music starts, and we would rather you were at it than still riding toward it. If you are behind a time, we move you up the road far enough that the rest of the day goes back to being ordinary. That is offered on every day of the week and it is an ordinary thing to take.

## IF SOMETHING GOES WRONG

Call 911 first for anything serious. UAMS is on site and can connect you to local hospital or emergency services. Course and weather updates come through the WhatsApp broadcast.
